Lyman Hager, Jr., CPA/PFS  
Jerry W. Hensley, CPA

J. Carroll Luby, CPA

To The Board of Directors of  
Lexington Rescue Mission, Inc.  
Lexington, Kentucky

We have audited the accompanying statement of financial position of Lexington Rescue Mission, Inc. (a non-profit organization) as of December 31, 2010 and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in **Government Auditing Standards**, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We were unable to physically observe inventory as of December 31, 2010 stated at \$95,275 in the accompanying statement of financial position.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to satisfy ourselves about the existence and valuation of the Organization's inventory, the financial statements referred to above present fairly, in all material respects, the financial position of Lexington Rescue Mission, Inc. as of December 31, 2010 and the changes in its net assets, functional expenses, and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with **Government Auditing Standards**, we have also issued a report dated July 19, 2011, on our consideration of Lexington Rescue Mission, Inc.'s internal control over financial reporting and our tests of its compliance with certain laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with **Government Auditing Standards** and should be read in conjunction with this report in considering the results of our audit.

**LEXINGTON RESCUE MISSION  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2010**

---

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNT POLICIES**

**Nature of Organization**

Lexington Rescue Mission (the Organization) was incorporated on April 2, 2001 for the purpose of charitable, educational and scientific purposes including, without limitation of the foregoing, the proclamation of the Gospel of Jesus Christ by conducting compassionate rescue mission work in the city of Lexington, Kentucky and the surrounding area. The Organization provides to those in need – food, clothing, education, employment, financial assistance, health care, recovery programming, spiritual care, a summer camp for youth, and has two thrift stores.

**Income Tax Exemption**

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, however the Organization is not exempt from tax imposed upon unrelated activity income. The Organization currently has no unrelated business income and accordingly, no provision for income taxes has been recorded.

Under generally accepted accounting principles, the Organization must recognize the tax benefit associated with tax taken for tax return purposes when it is more likely than not the position will be sustained. The Organization does not believe there are any material uncertain tax positions and, accordingly, it has not recognized any liability for unrecognized tax benefits or possible related interest or penalties.

**Financial Statement Presentation**

The Organization prepares its financial statements in accordance with generally accepted accounting principles for non-profit organizations, which require the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

- a) Unrestricted net assets encompass the portion of net assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations.
- b) Temporarily restricted net assets are the net assets resulting from contributions and other inflows whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.
- c) Permanently restricted net assets are the net assets resulting from contributions whose use by the Organization is limited by the donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

**Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions, restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

**LEXINGTON RESCUE MISSION  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2010**

---

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNT POLICIES, continued**

**Accounts Receivable**

The Organization's accounts receivable at December 31, 2010 relates mainly to a credit for small employer health insurance premiums paid in 2010 provided by the Department of Treasury Internal Revenue Service. The Organization provides an allowance for doubtful accounts on receivables, based on a review of the current status of existing receivables and management's evaluation of collection. As of December 31, 2010, management decided an allowance for doubtful accounts on receivables was not considered necessary. Bad debt expense for the year ended December 31, 2010 totaled \$50.

**Thrift Stores Inventory and Donations**

Inventory, which consists of donated clothing, household goods, furniture, and various other items, are held for sale at the thrift stores. Since there is no cost to the Organization, inventory and donations revenue are recorded at fair value determined by the price at which the item can be sold on the date of donation. The thrift store inventories at December 31, 2010 were \$95,275.

Revenue from the sale of donated items are recorded when sold. The Organization did not conduct annual physical inventory counts at the beginning or end of the year ended December 31, 2010, but one was conducted subsequent to year end. Management does not believe that inventory levels fluctuated significantly between the time the physical inventory was actually conducted and both the beginning and end of the year ended December 31, 2010. Therefore, since management determined inventory values were constant from the beginning and end of the year ended December 31, 2010, thrift store donations revenue and cost of sales were determined to be \$203,069, the amount of revenue from the sale of donated items, as recorded in the statement of activities.

**Property and Equipment**

Property and equipment are stated at cost. When properties are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts with any resulting gain or loss reflected in income. Depreciation and amortization are provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives on a straight-line basis. Maintenance and repairs are expensed as incurred.

**Advertising Costs**

The Organization expenses advertising costs as incurred. Advertising expense totaled \$1,500 for the year ended December 31, 2010.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Volunteer Services**

The Organization received volunteer services throughout the year that are not recognized as contributions in the accompanying financial statements since these services are not susceptible to objective measurement or valuation.

**LEXINGTON RESCUE MISSION  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2010**

---

**NOTE 2 – PROPERTY AND EQUIPMENT**

As of December 31, 2010, the property and equipment accounts reflect the following balances:

Land	\$ 1,500
Land improvements	4,332
Buildings	177,772
Leasehold improvements	132,501
Furniture and equipment	43,221
Vehicles	<u>9,500</u>
	368,826
Less: Accumulated Depreciation	<u>(88,660)</u>
	<u>\$ 280,166</u>

**NOTE 3 - NOTES PAYABLE**

Notes payable consists of the following at December 31, 2010:

Bank of the Bluegrass & Trust Co. mortgage note, interest rate of 6.25%, monthly payments of \$1,883, including principal and interest, with final payment of \$270,204 due upon maturity on May 13, 2013, personally guaranteed by James Connell and Rebecca Connell, and collateralized by first mortgage, assignment of rents and leases, letters of guarantee, and assignment of life insurance policy

	\$ 282,561
Less: current portion	<u>(5,084)</u>
Long-term notes payable	<u>\$ 277,477</u>

At December 31, 2010, future maturities on notes payable are as follows:

2011	\$ 5,084
2012	5,362
2013	<u>272,115</u>
Total	<u>\$ 282,561</u>

**NOTE 4 – OPERATING LEASES**

Lexington Rescue Mission leases two buildings for its thrift stores in Lexington, Kentucky. The lease for the thrift store at 487 East New Circle Road requires monthly rental payments of \$5,000 in 2010 and 2011, \$6,500 in 2012, and \$6,750 in 2013. However, the lease is cancellable at any time by both parties with sixty days written notice and a \$12,000 termination penalty. Subsequent to December 31, 2010, both parties verbally agreed to terminate the lease ending October 31, 2011 without a termination penalty.

The lease for the thrift store at 720 Bryan Avenue is an annual renewal lease which is cancellable at any given time by both parties with ninety days written notice. Monthly rental payments are \$2,575.

**LEXINGTON RESCUE MISSION  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2010**

---

**NOTE 5 – SUBSEQUENT EVENTS**

The Organization has evaluated and considered the need to recognize or disclose subsequent events through July 19, 2011, which represents the date that these financial statements were available to be issued. Subsequent events past this date, as they pertain to the year ended December 31, 2010, have not been evaluated by the Organization.

**LEXINGTON RESCUE MISSION, INC.  
INDEPENDENT AUDITORS' REPORT ON CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

---

To the Board of Directors  
Lexington Rescue Mission, Inc.  
Lexington, Kentucky

We have audited the financial statements of Lexington Rescue Mission, Inc. (the Organization) as of and for the year ended December 31, 2010, and have issued our report thereon dated July 19, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in ***Government Auditing Standards***, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express such an opinion on the effectiveness of the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed on the attached page (2010-1), we identified a certain deficiency in internal control that we consider to be a material weakness.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

*A significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under ***Government Auditing Standards***.

The Organization's response to the finding identified in our audit is described in the accompanying schedule of findings and responses. We did not audit the Organization's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Board of Directors, management and appropriate grantor agencies and is not intended to be and should not be used by anyone other than these specified parties.

*Ray, Foley, Hensley and Company*

Ray, Foley, Hensley and Company, PLLC  
July 19, 2011

**LEXINGTON RESCUE MISSION, INC.**  
**SCHEDULE OF FINDINGS AND RESPONSES**  
**December 31, 2010**

---

**FINDING:**

**2010-01**

During our audit, we noted that the Organization had never taken an inventory count of its thrift store. This is a serious weakness in the system of controls and has the potential for allowing abuse, including fraud and other defalcation, to exist and not be detected.

Physical counts of inventory should be performed at least annually. The results should be reviewed and fluctuations should be recorded as additional donations or cost of goods sold, as appropriate.

***Response:***

A physical inventory was taken during June 2011. Management does not believe that the value of the inventory fluctuated significantly from the physical inventory count date to the beginning and end of the year ended December 31, 2010. Procedures are now in place to conduct an annual inventory count and will be conducted at or near December 31<sup>st</sup> going forward.
